

FoamStar® A 34

Use

The FoamStar® A30 series represents a novel series of defoamers based on new defoamer chemistry developed and patented by Cognis. It is the first new defoamer chemistry in over 30 years. The Foamstar® A30 series of defoamers is effective in high gloss paints and coatings based on acrylic, styrene acrylic and vinyl acrylic latex.

- Does not reduce the gloss of high gloss paints and coatings
- Effective in difficult to defoam high gloss formulations.
- Very fast bubble-break versus conventional defoamers
- Effective against Microfoam
- Does not separate or settle
- Easy to incorporate
- Good persistence
- Effective in white bases and pastes

Specification

Viscosity, 25°C	75 - 105 cps
Wt/gal, 25°C	7.9 - 8.2 lbs
Specific gravity 25° C	0.95 - 0.98 g/cm ³

Additional data

Appearance	light yellow clear to slightly hazy liquid
Dispersity (10% in Water)	Non-Dispersible
Density (lbs/gal)	8.1
Color, APHA	200 Max
VOC	2.30%
VOC	0.16 lbs/gal
	0.0192 g/cm ³

Application

How to Use FoamStar® A34:

FoamStar® A34 can be used at levels of 0.25 % to 0.50 % based on total weight of paint depending on the individual paint formulation. FoamStar® addition may be equally divided between the grind and let-down stages. Its effectiveness is the same in the grind and the let-down.

Miscellaneous

PACKAGING, STORAGE AND HANDLING

FoamStar® A34 is shipped in 55 gallon (200 liter) steel drums (400 lbs.) plastic totes (1900 lbs.), and 5-gal pails (40 lbs.). If subjected to below freezing temperatures, product may congeal or stratify. Warm to room temperature and mix well before using.

Freight Classification

FoamStar® A34 is classified as: Defoaming Compounds NOI

Revision-No.

3-06.2006 Effective June 14, 2006

Subject to appropriate storage under the usual storage and temperature conditions, our products are durable for at least 6 months.

Suggestions of processing and using our products are given with best knowledge and information but without obligation. COGNIS does not accept any guarantee to the suitability of a product for the user's specific purpose.
